Photographs of the equipment

The image shows the back of a Sagem SAZ2A-SN3 mobile phone. The battery cover is removed, revealing the internal battery and components. The battery is a rechargeable Li-ion battery. The back cover is black with a white label containing safety and technical information. The label includes the CE mark, the Sagem logo, the model number SAZ2A-SN3, the date 28/03, and the text 'MADE IN EUROPE'. It also features a barcode and a list of safety warnings in French and English. The phone is lying on a light-colored surface.
