

## **Request for Confidentiality**

### **OMR705+ OEM MODULE**

**This is a request that the MI100btcf Mifare Reader below submitted materials be withheld from Public Inspection.**

This request is pursuant to CFR Title 47, Part 0.459, for the FCC Request and is also for any other country where such a request can apply.

1. Block Diagram
2. Schematic/s

These materials are considered Indala Corporation Proprietary and Confidential. Revealing the fundamental design for this product to the public and our competition would put us at a competitive disadvantage. We feel we have a product cost/design advantage over our competition with our Proximity Readers and therefore ask that the above-specified materials be withheld from public inspection.
