Confidentiality Request

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

Operation description

Tune-up procedure

Mounted atop a large tower, this product (remote radio unit) is not accessible to the public and is only serviceable by professional designated technicians under NDA. Further, the enclosure for this product is fastened together with special Torx security screws that cannot be removed/unfastened without a special security tool and prevents access to the end user.

All sales of this device (including third party sales) and distribution of any exhibits listed above are under an NDA to restrict the disclosure of proprietary information. A copy of the NDA is included with this application.

The above referenced materials contain trade secrets and proprietary, confidential information not customarily released to the public. The public disclosure of such information would cause substantial harm to the competitive position of the Applicant, and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely yours,

Tony Kao 2021/08/28
