### FCC Labeling Requirements and Information

Date: May 12th, 2008

American Telecommunications Certification Body, Inc.  
6731 Whittier Avenue  
Suite C110  
McLean, VA 22101

RE:      Certification Applications

FCC ID:    **MAU029**  
Model:     **V100**

The following label information is required by the FCC Rules and Regulations for certified devices.  
Please find marketing information required by the FCC Rules and Regulations as following:

#### Label Requirements

An intentional radiator device subject to certification by the FCC shall carry a warning label which includes the following statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The sample label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase.

FCC ID: MAU029

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Sincerely,
