1. The phone layout in figure 5 of the latest supplemental SAR report is reversed or transposed, please submit revised/corrected SAR plot.

Sir,

In response to the above I have looked at the report as submitted and I have corrected the anomaly. The proper interpretation of the DUI in respect to placement on the graphical plot is now detailed below. If you have any further questions please let me know in the first instant.

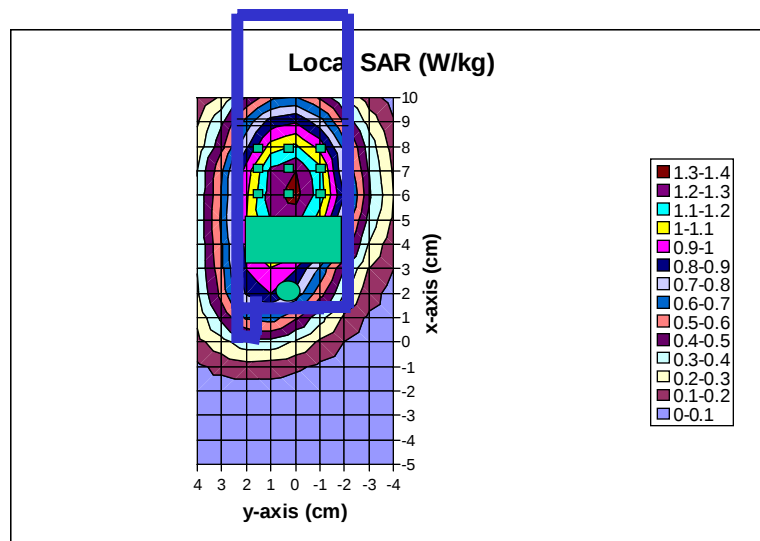

Figure 5. Contour Plot of Area Scan 2.5mm Above Phantom Surface

Many Thanks,
Stuart Nicol
