Subject: Application for Equipment Authorization
Applicant: Digi International Inc.
FCC ID: MCQ-XB3C1
FRN: 0010283307

To whom it may concern:

This is an application for Original Certification and a Grant of Equipment Authorization pursuant to Subpart C of Part 15.247 of FCC Rules (CFR 47) in regards to intentional radiators for the following product:

Model: XB3C1
FCC ID: MCQ-XB3C1

The XBee3 Cellular LTE CAT 1 consists primarily of a cellular module (FCC ID: R17XE866A1NA) and 2.4GHz radio as well as a MicroPython interpreter to allow for controlled customization that does not have control over the RF transmit or receive timing, operation or performance of the radio. The cellular module (FCC ID: R17XE866A1NA) and its approved antennas are not being modified from the original certification.

Please contact me if there are any questions regarding this application.
