

R.06 3X

STAFFORD, TEXAS
MADE IN U.S.A.

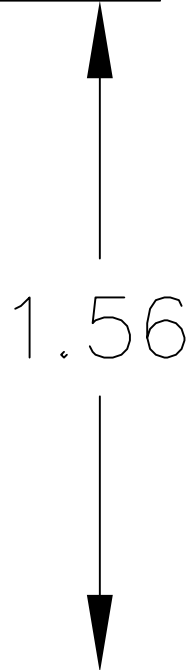

FCC ID: MCV-FSU2

This device complies with Part 15 of
the FCC Rules. Operation is subject
to the following two conditions:

(1) this device may not cause
interference, and (2) this device must
accept any interference, including
interference that may cause undesired
operation of the device.

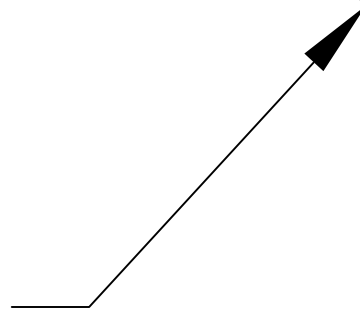

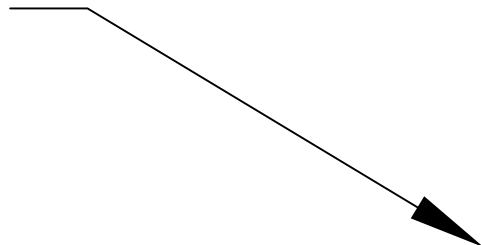

FSU-2

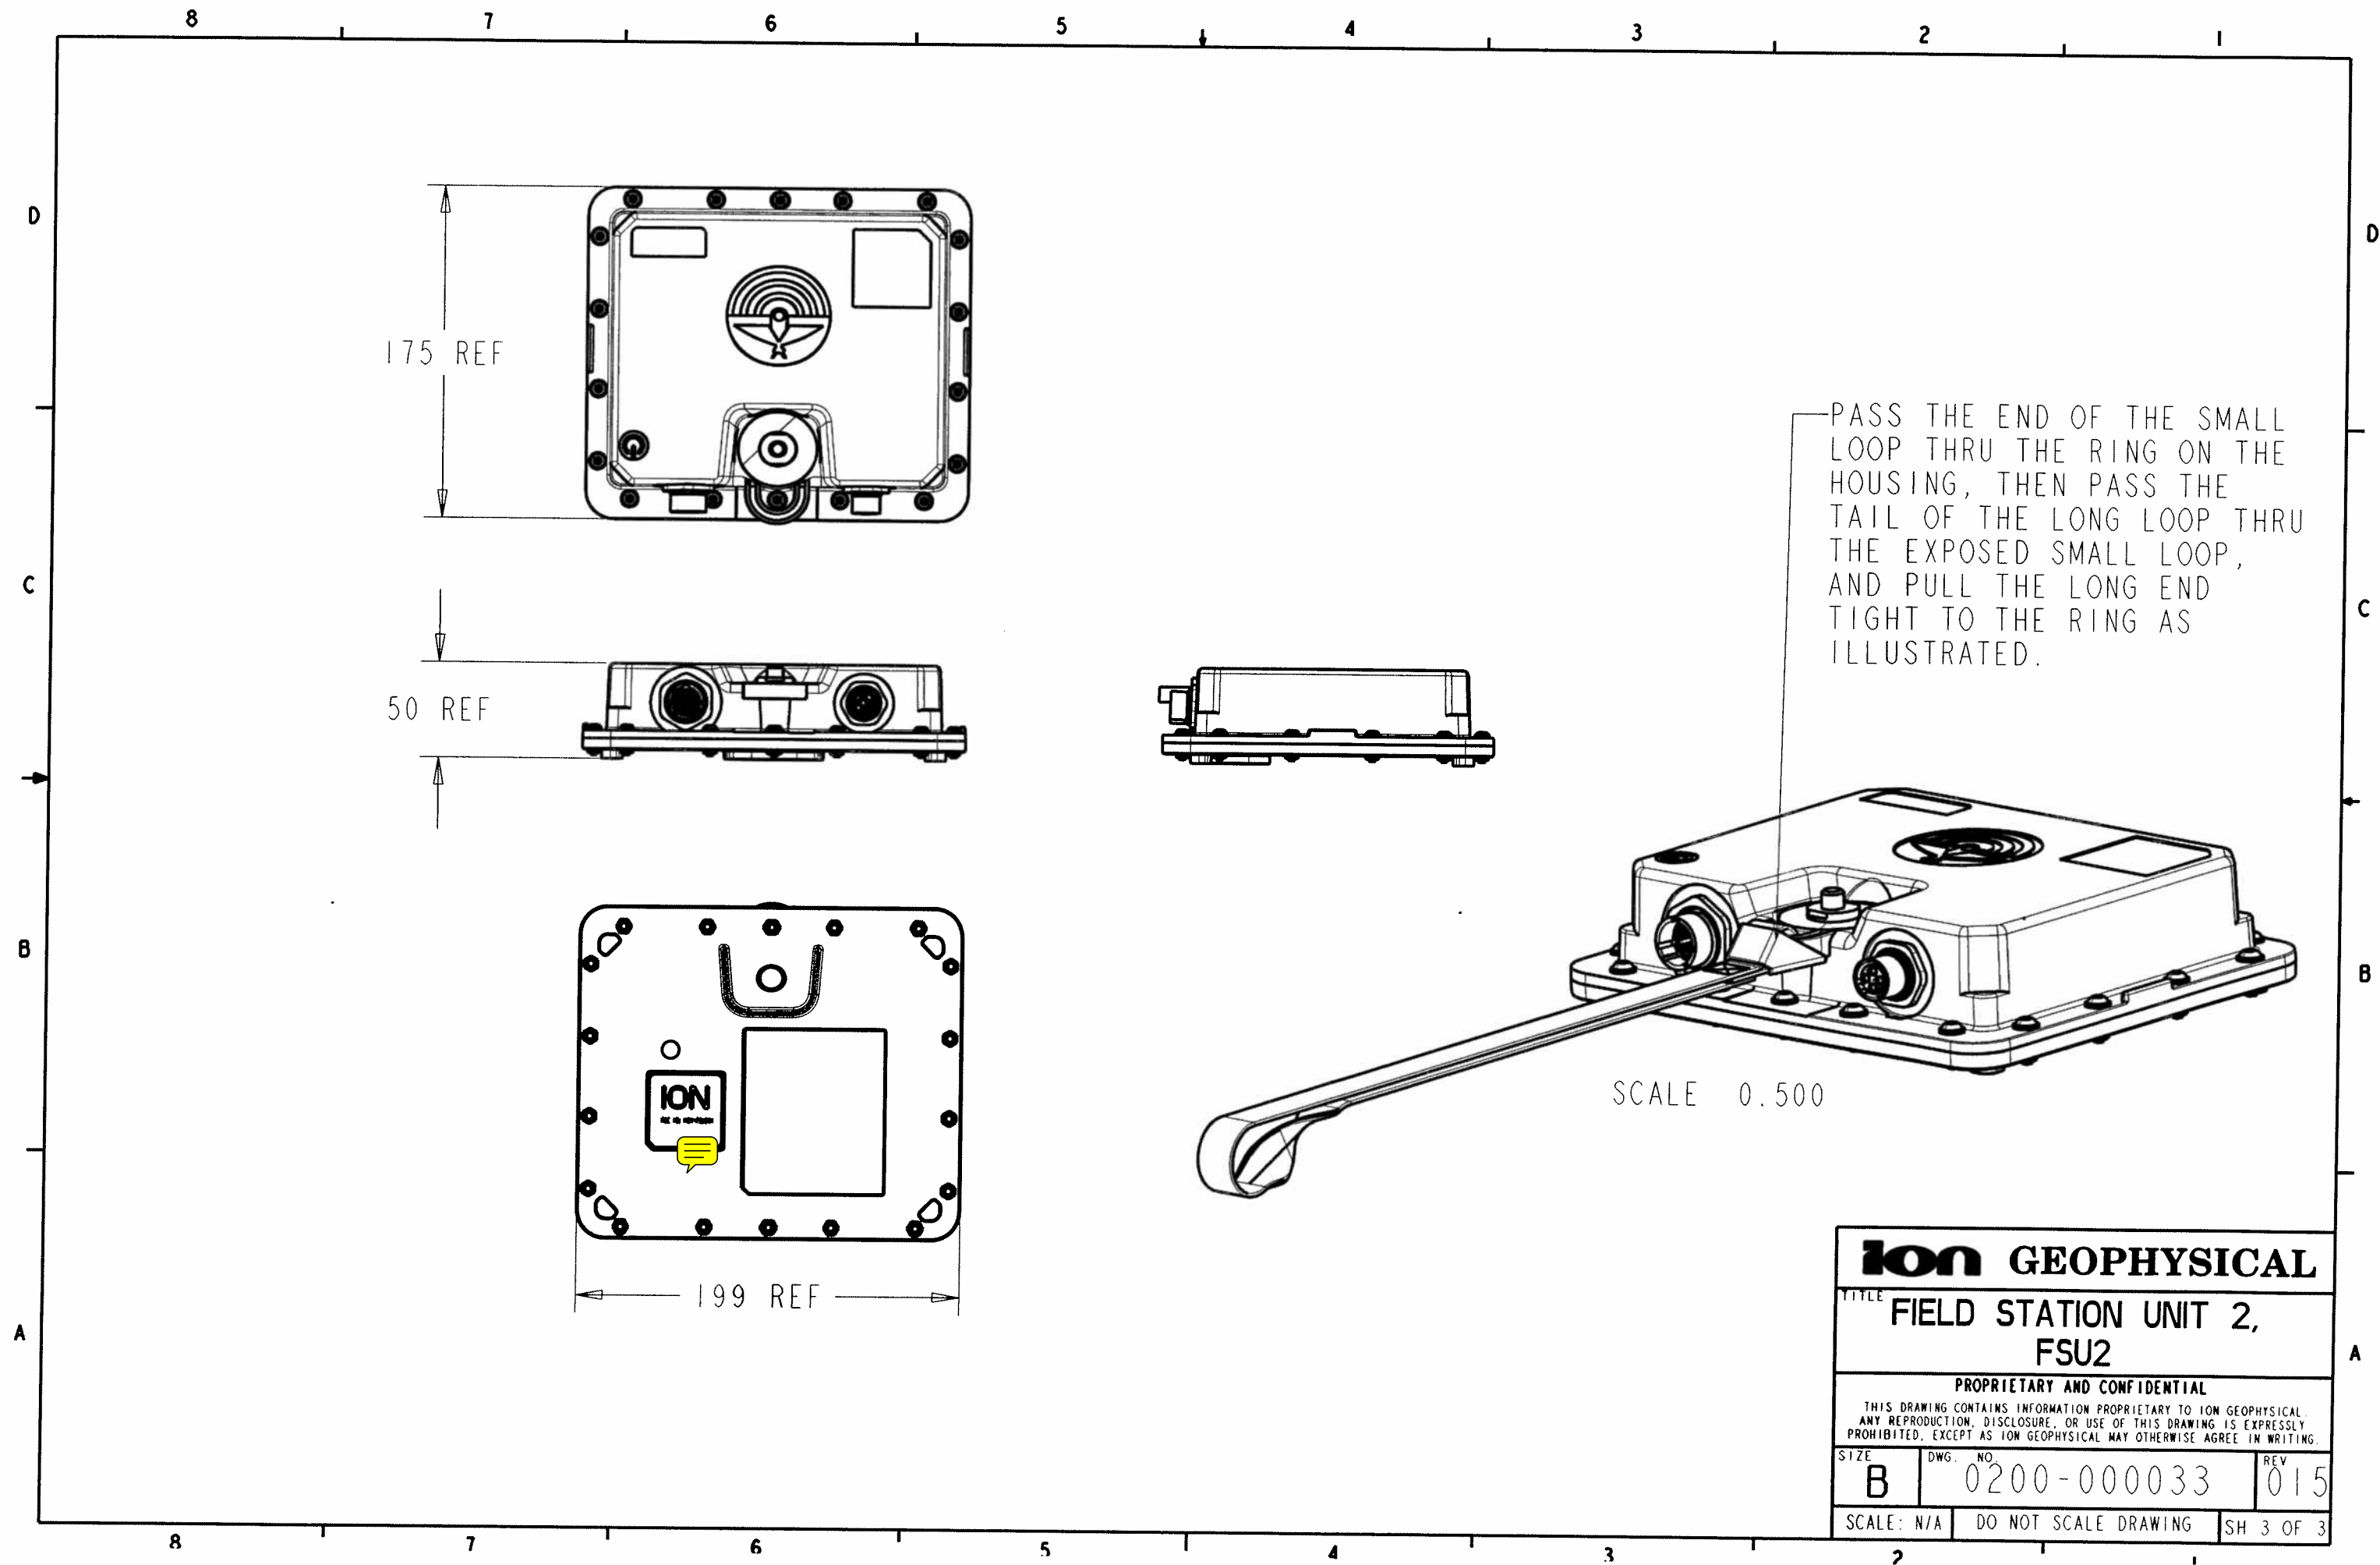

IC 7665A-FSU2

1.56

.27 X 45°

The FSU-2 is sitting on it's power supply. It is not attached, so the label can easily be seen if placed on the bottom of the device.
