<i>Billing Address</i>	(704) 684-8682/(704) 684-3474

Official Name of EUT:

Base Station

Model number:

C-0E-012-XX ("XX" indicates that this Model has a series of part numbers. The only differences in part numbers will be color of paint applied to entire product and custom stickers on front of unit as per customer requirements. All stickers in reference to compliance safety or FCC Part 15 regulations will remain unchanged both in content and placement on product.)

The following is a copy of the antenna cable and specification sheet for the antenna.
