

## Important Safety Instructions

- Read these instructions.
- Keep these instructions.
- Heed all warnings.
- Follow all instructions.
- Do not attempt to open the device. Substances contained in this product and/or its battery may damage the environment and/or human health if handled and disposed of improperly.
- Do not tamper with your device.
- Do not use abrasive cleaners to clean your device.
- Do not place your device in a dishwasher, washing machine or dryer.
- Do not expose your device to extremely high or low temperatures.
- Do not use your device in a sauna or steam room.
- Do not leave your device in direct sunlight for an extended period of time.
- Do not leave your device near open flames.
- Do not dispose of your device in a fire. The battery could explode.
- Do not attempt to disassemble your device. It does not contain serviceable components.
- Never allow children to play with the device. The small components may be a choking hazard!

## Disposal and Recycling Information

This symbol on the product or on its packaging indicates that this product must not be disposed of with your other household waste.

Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your household waste disposal service or the shop where you purchased the product.

- Do not dispose of the device with household waste.
- Batteries are not to be disposed of in municipal waste stream and require separate collection.
- Disposal of the packaging and your device should be done in accordance with local regulations.

## Regulatory and Safety Notices

USA: Federal Communications Commission (FCC) Statement

This device complies with FCC part 15 FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

## FCC Warning

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception which can be determined by turning the equipment off and on, the user is encouraged to try to correct interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device meets the FCC requirements for RF exposure in public or uncontrolled environments.

## EU (European Union) : European Community declaration of conformity

## UK Electromagnetic Compatibility Regulations 2016 (S.I. 2016/1091)

We Thales, located at 525 avenue du Pic de Bertagne, 13881 Gèrmenos Cedex, France, declare under our responsibility that the product: **Smart Card Reader USB & Bluetooth**

conforms to the following product specifications:

EN 55032:2015 (AC:2016-07) + A11 : 2020 Class B /  
BS EN 55032: 2015 (AC:2016-07)+A11:2020 Class B  
Radiated Emission Test  
EN 55035:2017+A11:2020/ BS EN 55035:2017+A11:2020  
EN 61000-4-2:2009/ BS EN 61000-4-2:2009  
EN 61000-4-3:2006+A1:2008+A2:2010/  
BS EN 61000-4-3:2006+A1:2008+A2:2010  
EN 61000-4-8:2010/ BS EN 61000-4-8:2010

Energy: Regulation 1275/2008

Restricted Substances: EN 50581:2012

CE marking year: 2015

Additional information: The product herewith complies with the requirements of the  
R&TTE Directive 1999/5/EEC  
EMC Directive 2004/108/EC, Low Voltage Directive 2006/95/EC  
Ecodesign requirements for Energy Related Products Directive 2009/125/EC  
RoHS Recast Directive 2011/65/EU
