To Whom It May Concern:
Ref: FCC ID MMA9015

This device is handheld. It is not feasible to place the FCC identifier label in a normally visible area.

- 1) The FCC identifier will be visible at the time of purchase.
- 2) The area where the label is placed will not require any special tools for access. The FCC label will not be placed on a removable part.
- 3) The FCC identifier, model no. or FCC logo will be on the label and meet all general labeling requirements or policies that apply for Certification, Verification or DOC; e.g. for Certification, for handheld devices.

Sincerely,

David Kingsolver
Director of Engineering
