

3-8-2007

To Whom It May Concern:

Ref: FCC ID: MMA901050, GRANT DATE 1/30/2007

Referenced radio was FCC approved listing frequency range of 150 – 174 MHz. Midland Radio Corporation requests re-issue of the grant listing the full operating range of 136 – 174 MHz. Request is made under the provisions of a Class II Permissive Change.

Sincerely,

David Kingsolver  
Director of Engineering  
Midland Radio Corporation
