Subject: Request for confidentiality for FCC Certification Application, FCC ID MOQ-LF701

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below

As per 47 CFR, Chapter 1, Section 0.457, the exhibits transferred for the purpose of this grant, contain details of trade secrets and technical data that is not made available to competitors and the general public. This information is treated in a confidential manner by Laserforce International Pty Ltd. and guarded from disclosure to our competitors.

The manufacture of this product has taken place after an extensive research and development process that has seen the company invest a considerable amount of time and money. The time and effort taken has enabled the product to meet the specific demands of the competitive market for which it is intended and it would be therefore detrimental to allow competitors easy access to design and development details.

Apart from a limited number of employees, the information has previously only been disclosed to the Test House responsible for conducting testing and authorized to act as our agent during the certification process.

Pursuant to 47CFR Chapter 1, Section 0.459, Laserforce International Pty Ltd requests post-grant confidentiality for the following items, ensuring that this material continue to be withheld from public inspection following grant.
