

STATEMENT

Hereby we confirm that at the moment when the SATEL-TA23 (SATELLINE-M3-TR3) modules are imported into Canadian market, the following information will be provided in English and in French:

WARNING - RF Exposure

To comply with FCC and IC RF exposure compliance requirements, maximum antenna gain is 14 dBi and separation distance of at least 1 meter must be maintained between the antenna of this device and all persons. This device must not be co-located or operating in conjunction with any other antenna or transmitter.

Host product labeling requirements

SATELLINE-M3-TR3 is intended to be integrated into a host device. Therefore the SATELLINE-M3-TR3 product related FCC ID and IC ID must be visible in the host device chassis:

FCC ID: MRBSATEL-TA23

IC ID: 2422A-SATELTA23

Salo, Finland 09.01.2014

On behalf of SATEL Oy

Arja Vainio
