Columbia, MD 21046

To Whom It May Concern:

Dear Sir/Madam:

Enclosed please find an FCC part 90 **Class II permissive Change** application for FCC ID: MRBSATEL-TA40

Due to Component End of Life, we changed power amplifier and some of its peripheral components on SATEL-TR4+ radio modem module. This change doesn't affect radio performance of the product, also RF output power remains the same as in original design. Further details and supporting documents are attached.

Should you have any questions, please feel free to contact the undersigned.

Sincerely,

Pekka Suominen

Certification Engineer
