The image shows a green printed circuit board (PCB) with various electronic components. A large black rectangular component, likely a battery or a large capacitor, is mounted on the left side. A blue connector is visible on the top edge, and a yellow connector is on the right edge. The board is populated with numerous smaller components, including resistors, capacitors, and integrated circuits. A ruler is placed below the board for scale, showing measurements in millimeters. The text "Buddy V2-043" is visible in the bottom right corner of the image.
