Letter of Authorization

To Whom It May Concern:

This is to authorize ASUSTek, and their agents, to utilize the FCC/IC test report for the Intel BE201NGW, FCC ID: PD9BE201NG, IC: 1000M-BE201NG for applications to the FCC and Industry Canada for certification under ASUSTek name and ID. ASUSTek is not authorized to make permissive changes to Intel module approvals under FCC ID: PD9BE201NG and IC: 1000M-BE201NG.

Module	Logo	Test Report Number (Low power/5mm sku)
BE201NGW	FCC	231109-06.TR02 231109-06.TR09
	ISED	231109-06.TR09 231109-06.TR14
Module	Logo	Test Report Number (Low power/8mm sku)
BE201NGW	FCC	231109-06.TR03 231109-06.TR11
	ISED	231109-06.TR11 231109-06.TR15
Module	Logo	Test Report Number (Low power/11mm sku)
BE201NGW	FCC	231109-06.TR01 231109-06.TR07
	ISED	231109-06.TR08 231109-06.TR13

Please do not hesitate to contact the undersigned if any further information is needed.

Sincerely,

Intel Corporation
