Attention: Applications Examiner/Reviewing Engineer

Re: Request that portions of Part 15 Certification Application be kept Confidential

Applicant: Keri Systems Inc.
Equipment: RF ID Tag Reader System

FCC ID: N42KERI1000

To whom it may concern:

On behalf of my client Keri Systems Inc., request is made herein to keep the following portions of the referenced application confidential and unavailable for routine public review, as per the conditions of section 0.457 of the Rules:

Schematics

Block Diagrams

Theory of operation

Keri's new product is the result of considerable research and development, and incorporates methodologies and circuitry that are innovative and unique. Disclosure of this information would result in competitors being able to obtain the benefits of Keri's research and development without incurring the accompanying cost, resulting in an unfair competitive advantage.

The required fee for this request for confidentiality has been paid in a separate action.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS
Agent for Keri Systems Inc.
