ARS Models XP-2150 and XP-2450

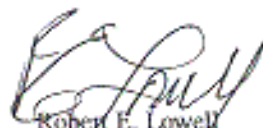

Dear Sid,

With reference to the subject FCC Rule, please be advised that the portable radios for which you are preparing test results and application for FCC Type Acceptance are intended to be programmable on operating channels only by a qualified technician, and in no way are intended to allow the end users to perform programming of channel assignments.

If there is any other information you require, please contact me.

Sincerely,

Aerotron Repco Systems, Inc.

Robert E. Lowell
