Request for Confidentiality**

Gentlemen:

In accordance with 0.459 of CFR 47, Sierra Wireless Inc. hereby requests confidentiality of the block diagram, circuit diagrams, circuit description, operational description, antenna specifications, parts list, and tune-up procedure attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Sierra Wireless Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Sierra Wireless Inc. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink that reads "Bill Andrews". The signature is written in a cursive, flowing style.
