LINE CONDUCTED EMISSION (FRONT)

A photograph of a laptop on a yellow desk. The laptop is open, showing a black keyboard and a silver trackpad. A small antenna is visible on the left side of the laptop. To the right of the laptop, there is a small green circuit board with various components, connected to the laptop by a cable. A power adapter is plugged into the laptop's power port. A power strip is visible on the desk to the right of the laptop. The desk is yellow, and the background is dark.
