Requesting Class II permissive change for FCC ID: N7NHL7588

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: N7NHL7588, Original grant date:08/24/2015
Applicant: Sierra Wireless Inc.

The major change filed under this application is :

1. The subject approved module is being used in different host.
2. SAR Testing is performed to demonstrate exposure Compliance.
3. The antenna used in this application is with same antenna gain as the original grant condition, which is 2dBi in all operating bands, hence the RSE and ERP/EIRP are expected as same as the original grant condition.

Sincerely,

A handwritten signature in black ink, appearing to read "Denis Chabot", with a horizontal line underneath.
