Re: Sierra Wireless, Request for Confidentiality  
FCC ID: N7NMC8775-L

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely:

- Antenna Description
- Operational Description (W/ Confidential BIOS Lock)

Above mentioned documents contain detailed system/ equipment descriptions and related information about the product in which Sierra Wireless and Lenovo consider to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. The public disclosure of above documents might be harmful to our companies and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term (45 days) confidentiality request on the following attachments:

The subjected exhibits are:

- Users Manual
- Internal/ External Photos (W/ Host PC Info)
- Test Setup Photos

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Sincerely,
