**RE: Application for Class II Permissive Change**  
**FCC ID: N7NMC8781U**

Dear Sir/Madam:

Sierra Wireless is submitting an application for Class II Permissive Change to our PC Card wireless modem, model AirCard 880E (FCC ID: N7NMC8781U). This product was initially certified by the Commission on June 01, 2007.

The changes filed under this application are as follows:

To enable the HSUPA feature of the product by a firmware upgrade. There's no hardware change involved.

Please contact me if you have any questions or need further information regarding this application.

A handwritten signature in black ink, appearing to read "Ying Wang".
