Response for RT 27064

1. Please explain or revise user manual portions about OEM install only and labeling - OEM installation only may not be appropriate for integral-antenna PCMCIA card.  
[OEM Information has been removed and new manual provided.](#)
2. Only 2.4 Ghz SAR report is on file - please submit the 5 Ghz-band SAR report.  
[5 GHz SAR report has been uploaded.](#)
