

Re: FCC ID N8K4401B
Applicant: BASE Engineering Ltd.
Correspondence Ref. Number: 12392
731 Confirmation Number: EA96746

March 2, 2000

Dear Mr. Dichoso:

I have resubmitted the MPB Technologies test report for our product that we are requesting FCC approvals. The original submission was done on Feb 21 but perhaps transmission errors prevented it from arriving at your site. It is titled "MPB Report A.doc" and is a Word 97 document. The submission has been done through the OET electronic submission on the Internet web page.

Sincerely

Mark G. Sanford
Base Engineering Ltd.
