

Front View Of The EUT

The image shows a blue, rectangular electronic device, likely a remote control or a small transmitter, standing upright on a light-colored, textured surface. A small, tan-colored antenna protrudes from the top. On the back of the device, there is a white label with black text and a barcode. The label contains the following information:

I - Door	N-Trans	(I) - Rpt-Synch
II - Aux1	(I + II) - Males	
III - Aux2	(I + II) - Varies	FCC ID
IV - Start	(I + II) - Time	N95JL47SR
V - Trunk	(I + II) - Time	SN: A0000000

Below the label, there are four small, circular holes arranged in a horizontal row. At the bottom center of the device, there is a small, dark circular port.
