- N9MSC2000\_Operating\_the\_Radar\_Transceiver\_200500-QN-A.pdf

This Confidentiality Request to restrict access to equipment and documentation is to inform TIMCO that access to equipment and related documentation supplied by Terma is to be restricted to only authorized users to ensure the security of the equipment and confidentiality of related documentation at all times. Only designated professionals shall be allowed to maintain or service the equipment.

Terma is requesting the internal photos be permanently confidential. This non-consumer device is inaccessible to the general public and shall be kept in a secured and locked environment.

The reason for this request is that the Documents are of a technical nature and are not provided to the consumer because the consumer cannot service the device. Our products will be sold to a limited audience and Terma wishes the Documents to be inaccessible to the general public at all times.

Appropriate documentation will be made available only to Terma partners and integrators. Designated professionals under the employ of these partners and integrators will be responsible for service and maintenance of our products. Each partner and integrator will be under a non-disclosure agreement with Terma.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request temporary confidential treatment of information accompanying this application for ninety (90) days as outlined below:

- External Photos (Terma doc. N9MSC2000\_External\_Photos\_2005000-QR)
- Test Setup Photos

Yours sincerely,
