Technik Mfg, Inc. requests that all information including theory of operation and schematic within this application, except information that must be publicly available, be withheld from public inspection.

The information contained within this application is confidential to Technik Mfg, Inc. and took considerable time, effort, and expertise to develop. If the information were available to other potential competing companies, they could forgo most of the development time and expense, providing them with a potentially damaging and unfair competitive advantage.

Thank you,

Dennis L. Carstens  
President  
Technik Mfg, Inc.
