RE: Request for Confidentiality

Dear Sir:

Airdata WIMAN Systems, Inc. requests that all information pertaining to the application for equipment authorization for the WIMAN System be withheld from public inspection and inquiry. This request is being made to protect the new technologies used in this product and the pending patents.

Following are examples of the information we are referring to:

- Bill of Materials
- Circuit Diagrams
- Part Placement
- Mechanical Drawings
- Schematics

If I can assist you with answering any questions or concerns you may have, please feel free to contact me at any time.

We greatly appreciate your time and consideration regarding this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Markus Steck".
