In response to your comments regarding the application for certification of the devices referenced above please find our response below:

- 1.) Please revise confidentiality letter to include user manual or send stripped down version of user manual.

The confidentiality letter has been updated and uploaded.

- 2.) Please provide Tune-Up Procedure with parts list.

A cover letter addressing this issue has been uploaded.

- 3.) Please show emission designator calculations in test report required in CFR Part 2.201 and 2.202 Please revise and upload test report.

Emission Designator Calculations have been uploaded; test report and form 731 have also been corrected.
