Novatel Wireless Inc has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

**Permanent Confidentiality:**

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

**Short Term Confidentiality**

The applicant requests the exhibits listed above as Short term confidential be granted short term confidentiality for 45 days after the date of receiving the grant as outline in Public notice DA 04-1705. This provision will give Novatel Wireless temporary confidentiality of commercially sensitive information prior to product release.

Sincerely,
