2549 Success Drive

Odessa, FL 33556

Subject: **Certification Application Request #: 6277**

FCC ID: **NC3MTD2000**

It is requested that the following information is to be held confidential on behalf of Applicant.

- Request #: 6277
- Submitter: David Segal
- Manufacturer: Pro Tech Monitoring
- Model#: SMART

Exhibit: Device Schematic, Operating Manual, Internal Photographs, and Operational Description document.

Pro Tech Monitoring develops equipment for GPS tracking of criminal Offenders. Offenders (and the general public) should not have access to the device's schematic, assembly photographs, block diagrams, and if possible the user's manual for this equipment. Offenders are given operating instructions from their Probation and Parole Officers who are trained by Pro Tech personnel.

In addition, this manual contains trade secrets that are meant to be kept secret from our competitors.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'David Segal', with a stylized, cursive script.

David Segal
Vice President
