To Whom It May Concern:

PURPOSE OF CHANGE LETTER
For Model KX-TC1467LAB

This letter is to provide additional information regarding the Application of Permissive Change for our model KX-TC1467LAB based on the previously certified model KX-TC1486B.

The Handset and Base RF modules as well as the antenna of the above-mentioned models are identical in, construction, dimensions, and electrical circuits.

The main difference is that model KX-TC1467LAB is without Caller ID.

All design including electronic, electrical, mechanical, RF PCB Layout and cosmetics designs remain the same except the above-mentioned change.

The above-mentioned change is not intended for maximum power and change on field strength ratings.

Should you have any query, please don't hesitate to contact the undersigned.

Your Faithfully,

Ronilo Paredes
Senior Approval Engineer
