

Intertek Testing Services Hong Kong Ltd.  
2/F., Garment Centre, 576 Castle Peak Road  
Kowloon, Hong Kong

14 April 2004

To Whom It May Concern:

**PURPOSE OF CHANGE LETTER**  
**For Model MD47X**

This letter is to provide additional information regarding the Application of Permissive Change for our model MD47X based on the previously certified model MD49X.

The Handset and Base RF modules of the above-mentioned models are identical in, construction, dimensions, and electrical circuits and they share the same handset.

The main modification is the removal of additional corded handset in the base unit and answer machine feature. Due to this change, Base Main PCB and Base unit upper enclosure were changed and few components were removed on the base unit.

All design including electronic, electrical, mechanical, PCB Layout and cosmetics designs remain the same except the above-mentioned change.

The above-mentioned change is not intended for maximum power and change on field strength ratings.

Should you have any query, please don't hesitate to contact the undersigned.

Your Faithfully,

LAW Wing Kwok

Senior Electronic Engineering Manager
