Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Subject: PCS Certification Application Cover Letter

Reference: FCC ID: NE3PCS003

To Whom It May Concern,

This is an application for Certification for FCC ID: NE3PCS003, for models 240 and 241 PCS base stations. These two models are electronically identical, except for the housing. The model 240 is designed to operate in an indoor environment and the model 241 is designed to operate in an outdoor environment.

NOTE :

We are requesting confidentiality for the following Exhibit Types : Operational description, parts list/tune-up info., schematics, block diagrams, and user manuals. However, while uploading various attachments, we inadvertently did not mark the confidentiality check mark for one file for the exhibit type "Block Diagrams". Please change the application to include this file for confidentiality.

Please do not hesitate to contact me, if you have any questions.

Sincerely,

Rashmi Contractor
