

FCC STATEMENT

Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

OEM/End User Information

Any modifications or changes to this intentional radiator (pen) by either the end user or OEM that is not expressly approved by the party responsible for compliance (FinePoint Innovations, Inc.) could void the user's authority to operate the pen.

ATTENTION TO INSTALLER/OEM

The two above statements are required by the FCC 47CFR 15.19 and 15.21 to be put in the final products manual along with the statement in FCC 47CFR 15.105 (Information to the user). It is up to the Installer/OEM to fulfill this requirement or the **final product cannot be placed on the market.**
