Declaration

We, Robert Bosch GmbH, with address Daimlerstrasse 6, 71229 Leonberg, Germany, declare that both connector variants of our product, brand BOSCH, model F5CP42 are electrically identical.

The model F5CP42 has two connector variants:

1. variant 0265.B62.633-01; with housing P/N: 1275.101.969
(connector on the back of the sensor)
2. variant 0265.B62.746-01; with housing P/N: 1275.101.968
(connector on the side of the sensor)

Difference between the 0265.B62.633-01 and 0265.B62.746-01 is only mechanical direction of the connector. All other components are identical.

If you need any further information, please feel free to contact us.

Yours sincerely

Robert Bosch GmbH
Robert Bloch
