Mr. Fujimoto:

In order for processing of this certification application (FCC ID: NF690305A) to continue, the following issue(s) will have to be addressed:

- 1) According to the data submitted in the test report, there is an emission exceeding the FCC limit at 2737.11 MHz by 1.33 dB. See page 52 of the report).
- 2) Please provide fundamental emissions data for the Z-Axis on all three channels.
- 3) Please provide band-edge measurements for the lower and upper band-edges.
- 4) The FCC statement on the device is incomplete. It is missing the last line of the second item: “,including interference that may cause undesired operation.” See section 15.19(a)(3) of the rules.
- 5) Please provide a signed TCB contract.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is NF690305A -1.
