

NI7-SILENTHORN-A1

Label

The following Label will be used on all devices and shall be affixed with permanent (non-removable) adhesive. The Label will be located on the largest face of the device (as depicted in the external photo submitted in a separate file/section of this package).

Note that the same text is included in the Users Manual (also submitted in a separate file/section of this package).

Approximate actual size:

FCC ID: NI7-SILENTHORN-A1

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
