

Regarding: Correction to Form 731  
Invocon, Inc.  
FCC ID Number: NJM0071-029

Reference: Form 731, Item 12.

When filling out the Form 731, I mistakenly entered 0.25 Watts for item 12, the correct value is 0.00025 Watts. (0.25 milliwatts.)

If you could correct this entry, I would appreciate it.

Thank you,

Ben Bibb, NCE
