

FCC Notice:

The MicroWIST™ Sensor Unit (FCC ID No. NJM0071-027-028, Model No. 0071-027-028) and the PC Interface Unit (FCC ID No. NJM0071-029, Model No. 0071-029) of the MicroWIS system are subject to the following certification.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Furthermore the MicroWIST™ PC Interface Unit (FCC ID No. NJM0071-029) is also subject to the additional certification:

**CAUTIONARY NOTE TO USER:**

Changes or modifications to the any piece of equipment in the MicroWIS system are not expressly approved by the manufacturer and could void the user's authority to operate these units under the Regulations promulgated by the Federal Communications Commission.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Contact Information for the party responsible for compliance with FCC regulations for the MicroWIS Equipment is provided on Page 12 of this Manual.
