Notice\_content

-----

Question #1: This transceiver is not a stand alone device. It must connected to

other associated device to operate. The external and internal photos only cover the the transceiver only. Please provide additional external and internal photos for all associated devices.

Question #2: In th

e operational description provided, it does not contain any information in complying the requirement stated in 15.231 (a)(1) or,(a)(2).

Bes

t Regards

Mike Kuo / TCB Certifier

The items indicated above must be

submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
