## Declaration

Date: 2011/12/22

We, Wintecronics Ltd, apply for FCC certification for following equipment:

Product Name: 2.4GHz ANT + Wireless Bike Computer

Brand: Wintec

Master Model: WBC 301

This product (model: WBC 301) uses RF Chipset with 78 Channels totally. However, we hereby warrant that we will correct the software to fix it at only 1 Channel (2457MHz) before it is shipped out to the market so that an end user can not open and use the other Channels.

We declare that above information and statement are correct. If false, we will accept the revocation of the product's certification (model: WBC 301) from certification body and take all responsibility.

Sincerely.
