

The FCC ID label shall be placed on the single-fan side panel of the chassis. The FCC ID label is approximately 1.4 x 0.3 inches, and the FCC ID is printed in 10pt Arial font.

The FCC ID label is visible at all times, even when attached externally to the host.

In the event that NK73226316 is installed within a host device where the FCC ID label is not clearly visible, the host device will include a permanently affixed label indicating: "This device contains module FCC ID NK73226316".

**FCC ID NK73226316**
