RE: Supersede Request Letter

Applicant: HTC Corporation
FCC ID: NM8PI06100

Request for supersede of FCC safety guide and FCC SAR report (Photo).

Per customer's request, the FCC safety guide for PI06100 use the DTM SAR max value 0.837W/kg to replace the head SAR max value 0.356W/kg, and the FCC SAR report has add a IMEI photo, therefore, we are asking to kindly replace the FCC safety guide and FCC SAR report (Photo) documents.

Thank you,
