OWNERS MANUAL

AM/FM/WEATHERBAND RADIO
WITH CD PLAYER

7000

WARNING :

TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE.

**CAUTION :**

1. Invisible laser radiation when open interlocks failed or defeated. Avoid direct exposure to beam.
2. Do not open the rear cover. There are no user serviceable parts inside. Refer servicing to qualified service personnel.
3. The compact disc player uses invisible laser radiation and is equipped with safety switches which prevent the emission of radiation when the CD door is opened. It is dangerous to defeat the safety switches.
4. Use of controls for adjustments and the performance of procedures other than those specified here in may result in exposure to hazardous radiation.

CAUTION : TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER SERVICEABLE PARTS INSIDE.. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

The lightning flash and arrowhead within the triangle is a warning sign alerting you of "dangerous voltage" inside the product.

The exclamation point within triangle is a warning sign alerting you of important instructions accompanying the product.

WARNING : TO PREVENT FIRE OR SHOCK HAZARD, DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE. DO NOT REMOVE COVER. PILOT LAMPS SOLDERED IN PLACE. NO USER SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

IMPORTANT NOTES

*Avoid installing unit in locations described below :

- Places exposed to direct sunlight, or close to heat-radiating appliances such as electric heaters.
- On top of other audio or video appliances that radiate too much heat.
- Places lacking ventilation, or dusty places.
- Humid or moist places.

*Read owner's manual before operating

*Be sure all connections are properly made before turning power on.
