C.1 FCC Label Identification

The FCC Identifier for the CCU is presented in Figure C.1 and Figure C.2. It complies with FCC rules, section 2.925 and 15.19.

FCC Identifier: **NOLCCU1003067**

In compliance with FCC rule 2.925 (d) (1) and 15.19 (b) (4), the FCC ID label will be made of Velvet Lexan which permanently adheres to the CCU unit.

In compliance with FCC rule 2.925 (d) (2) and 15.19 (b) (1), the FCC ID label is clearly visible and legible. See Figure C.1 and C.2.
