Question #1: Please revise FCC ID label format to change from "FCCID" to "FCC ID:".

Question #2: According to user manual, this RX has two options of input port: SCART socket or RCA ports, the external photos exhibit in the filing

shows EUT with RCA ports only, however the user manual exhibit shows EUT with

SCART port only. Please provide additional external photos to show EUT with SCART port.

Best Regards,
Helen Zhao
