

## I. Specifications

|                      |                   |
|----------------------|-------------------|
| Transmit Frequency   | 433.92 MHz        |
| Infrared freq. Input | 35KHz~41 KHz      |
| Power consumption    | 9 VDC, 230mA      |
| Dimension            | 140mm ×13mm ×42mm |
| Weight               | 190 g             |
