Subject : Request for Class II Permissive Change
Product : WLAN Module
Model : 1AV4U19B25500
FCC ID : NPK19B255
Original grant date : May 7, 2009
Applicant : SANYO Electric Co., Ltd.

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: NPK19B255, originally granted on May 7, 2009.

This product was performed the testing in the host device (PLC-WXU700), approved as the limited module, because this model has no RF shielding.

This time there are two additional models as the host device, the differences between the model (PLC-WXU700) performed testing in original application and this additional models (PLC-XU116, LC-XB43N) are as follows.

=Differences between PLC-WXU700 and PLC-XU116, LC-XB43N

1. Host CPU & OS controlling the WLAN module
2. Power unit
3. Image processor IC (but the same maker)

LC-XB43N is OEM model of PLC-XU116, electric and radio characteristic is the same.

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely yours,

Keiji Hirao
Manager of Engineering Dept.
SANYO Electric Co., Ltd.
